

# Buying a Home?

Our services are designed to help you through the Home Buying Process. We work with Real Estate Agents & Home Buyers from Evaluation to Install, Providing you with Documentation to Create a Seamless Home Buying Process.

Our Installs are Backed with Extensive, Transferable Warranties, along with Detailed Photos & Reporting. We will work with you during the purchase process to help you get the most out of your investment!

## Benefits

- ✓ Identify Issues Overlooked at Home Inspection
- ✓ Assistance in Negotiations for Repairs
- ✓ Documentation to Summarize Repair Requests
- ✓ Minimized Delays in the Closing Process
- ✓ Service to Assist in furnishing Document Requests
